

Lynx Aurora Free Cable Offer

Thank you for purchasing your Lynx Aurora converter. You have bought a world-class addition for your studio that should serve you for many years to come. Please read through the rules below, then fill in the form on the next page and send it to us.

Rules and Regulations:

1. Customer must purchase either a new Lynx Aurora 8 or new Aurora 16 converter (with optional new AES16e) from an authorized, participating US or Canadian retailer.
2. Aurora and optional AES16e must be purchased between November 1, 2014 and December 31, 2014.
3. Customer must mail, email or fax the form on the next page and a copy of the sales invoice to Lynx Studio Technology. These forms **must be received by January 15, 2015**.
4. Upon dealer verification, Lynx will ship the cables directly to the customer without delay. There is no added cost to the customer - Lynx will pay all ground shipping costs. Customer may choose to use an expedited service at your own expense.
5. Free cables will only be shipped within the US and Canada.
6. Offer void where not allowed by local and state laws.

Applicable Models:

- Aurora 8, Aurora 8 USB, Aurora 8 HD, Aurora 8 TB
- Aurora 16, Aurora 16 USB, Aurora 16 HD, Aurora 16 TB
- Aurora 16 VT, Aurora 16 VTHD, Aurora 16 VTTB
- AES16e, AES16e-SRC, AES16e-50 (optional)
