

RED AND McDSP

We have collaborated with Emmy Award-winning plug-in developer McDSP™ to deliver an unprecedented plug-in and interface bundle. All registered customers of a Focusrite Red 4Pre, Red 8Pre or Red 16Line Thunderbolt™ and Pro Tools | HD™ audio interface will receive a free 12-month subscription to McDSP's All Access HD plug-in pack, worth \$499.99.

If you purchase and register or have already purchased and registered a Red 4Pre, Red 8Pre or Red 16Line (Qualifying Item) between 26 April 2017 00:00 GMT and 31 July 2018 23:59 GMT you are entitled to a free 12 month registration to McDSP's All Access HD plug-in pack.

This offer is only available once per person. Buying multiple products does not entitle you to multiple registrations.

This offer is only available for first time registration of a Qualifying Item.

Focusrite reserves the right to modify or cancel any offer at any time.

This offer is valid in each case while stocks last.

This offer is not transferable or assignable.
