

Free 8x10" Tom Summer Promotion

We're excited to announce a summer mail-in rebate for DWe. From June 15 through August 31, 2026, customers who purchase a qualifying new 4-piece DWe kit from an authorized dealer will receive a free matching 8x10" tom — a minimum \$729 value — shipped directly to them at no cost to you or your customer.

DW will be promoting this offer across our digital platforms, and a dedicated promotion link can be found below for use in your product listings.

Eligible customers simply follow the instructions at the promotion link to submit their claim. Our team handles everything from there — purchase verification, order processing, and direct shipment of the drum to your customer.
