\$198.00

For a limited time only!

**Purchase ANY Lewitt microphone between
September 30th and October 31st 2021 and receive
2 Arturia plug-ins for FREE!!**

Bundled Plug-ins Include:

Rev PLATE-140

A luxurious, rich, smooth plate reverb known for its mix-ready clarity and crunchy preamp, recreated in all its material detail and retrofitted with futuristic features. Add space and warmth to just about anything.

Pre 1973

The iconic '70s Brit sound, a staple in the world's most renowned studios, known for its grainy presence and high-end shine, faithfully remade and enhanced for the modern producer. Perfect for guitars and vocals.

How to receive the 2 free Arturia plug-ins?

Once you receive the LEWITT microphone, go to the LEWITT website to register the product through myLEWITT. When the registration has been validated, you will receive the (2) activation codes for the Arturia plug-ins and a link to the Arturia Website, where both products can be downloaded and activated.
